Dear Sir.

As soon as arrangements for the University Hospital were completed, our little chapter decided to turn all our energies towards helping in the supplies for the Hospital, and as we are particularly fortunate in musical talent, our way we thought we could do, was to give a concert and present all the proceeds to the University - To be added to the funds.

As I know we have some unusual amateur talent such as would grace any hall in this city, and if you would kindly permit us to have the use of Convocation Hall for that purpose, our concert would be an assured success.

Mrs Falconer, through the secretary, has kindly given her consent to act as a patroness, and we will give a concert that will be worthy of our patroness and Convocation Hall.

Thanking you for any favors & remain

Yours
Sincerely
S. Farwell Hutchison

Dear Mrs. Hinckson:

I have much pleasure in sending you one dollar for the two tickets which you kindly sent for the concert last night. It was very successful as a concert, though I am sorry that the attendance was not larger. Owing to the illness of our boys Mrs. Falconer was I regret to say unable to be present.

With kind regards, I am,

Yours sincerely,

President.
